**EXPAND YOUR UNDERSTANDING OF
INTERNATIONAL LAW WITH LIKE-MINDED PEERS
FROM ALL OVER THE WORLD**

ECTS credits: 4.0 (on-campus), 3.0 (on-line)

BRIEF DESCRIPTION

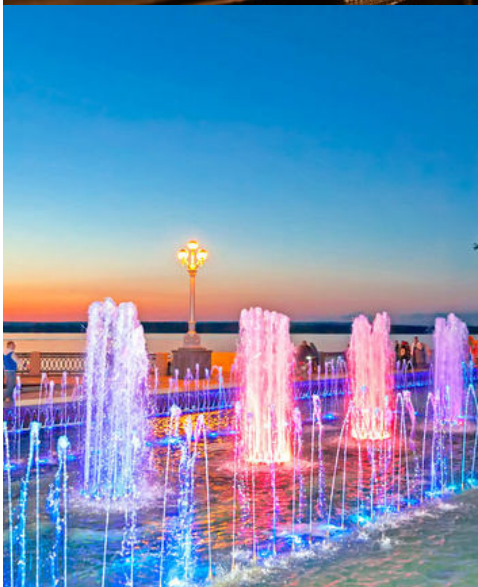

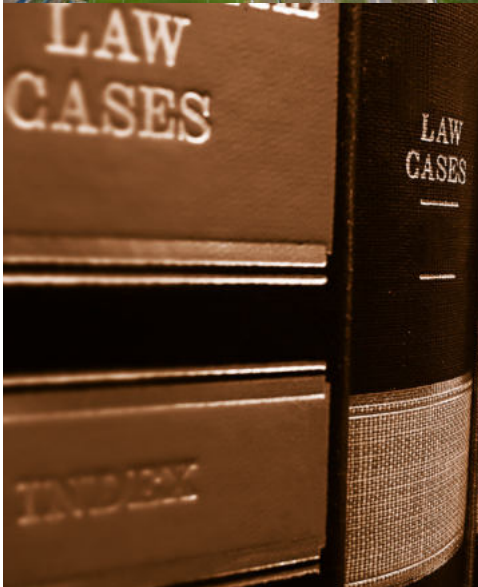

There is no need to explain the importance of international relationship nowadays. Consequently, international law is important part of its development. Our International Law school is focused on recent developments in the field of International Law, and guides students through the central debates within the sphere. In real - time mode you will take part in court sessions. And this won't be a regular course. Cultural part is as important as the studies! We will take you to excursions such as Space museum, Stalin's bunker, walk with you along historical streets and show the most beautiful places in the city. International Law School is aimed at gap year students, current undergraduates and any other adult learners who wish to expand their understanding of International Law with like - minded peers from all over the world. Our friendly team, lecturers, entrepreneurs, mentors and coaches will lead the participants throughout the process, thus they can take a maximum of it.
